

INDEX TO CANDIDATES — PARLIAMENTARY AND MCC ELECTIONS

This section of the index relates to Parliamentary (1885-1941) and Middlesex County Council (1889-1936) elections. The letter following the name of each candidate indicates the type of election contested: *p* for Parliamentary and *m* for Middlesex County Council.

Those candidates with double surnames (hyphenated and unhyphenated) have been cross-indexed to ease reference. As a result of extensive research, in nearly all cases the first name of the candidate is included in the entry.
