

## ACKNOWLEDGEMENTS

In the original edition of this book I thanked a past Chief Electoral Officer of the London Borough of Harrow, Ron Gray (no relation!), for allowing me to peruse the official records. Other acknowledgements were extended to the staff of the Central Reference Library, Civic Centre, Station Road, Harrow, where a large bulk of the research was conducted. I also thanked Bill Stephenson for his support and encouragement, and my father, Len Gray, for help in many ways.

There are two new acknowledgements for this new edition. Firstly, I must thank the Electoral Services Manager of the London Borough of Harrow in 2005, Peter Kelly, for allowing me access to the official records once again. Secondly, I wish to express my gratitude to my wife, Marie-Louise Nolan, who has supported my researches in ways too numerous to mention.
