

ACKNOWLEDGEMENTS

There are a number of people who have helped me with the production of this volume. In particular I am grateful to past and present Chief Electoral Officers of the London Borough of Harrow, namely, Ron Gray (no relation!), Clive Kimber, Mike Cosgrave and Peter Kelly for allowing me to peruse the official records whenever I needed to. I would like to thank Kerry Underwood for allowing me access to his private files in order to compile the Appendix on the Roxbourne election petition. Chris Noyce suggested the inclusion of an Appendix on the Bartrick Case, and I am grateful to him and James Bartrick for supplying copies of the legal documents in question.

For their help with the Croydon and Sandwell cases, I would like to thank the Chief Electoral Officers of the Boroughs of Croydon and Sandwell. For information on the Southdean (Scottish Borders) case I would like to thank Mr. White, Senior Administrative Officer, Scottish Borders Council, and for information on the Laurmont East case (Falkirk) my thanks go to Pat Reid, Support Services Manager, Falkirk Council.

A final word of thanks goes to Bill Stephenson, who has been a good friend to me for all my adult life. It was he who was my 'distribution manager' when I first published a booklet of Harrow Council election results back in 1979. Now, more than twenty years later, I am grateful to Bill for carefully checking the contents of *this* volume and for spotting several areas for improvement.
