**Note:**

1934-1937: There appear to have been two RA groups in the ward during this period: the Little Stanmore Ratepayers' Association and the East Kenton Ratepayers' Association.

1936: Elizabeth Baker was originally selected by the Labour Party to be their candidate at this election, but she was replaced by Allen before nominations opened. Mrs. Baker, in a letter to the *Harrow Observer and Gazette* published on 20 March 1936, explained that she had left the Labour Party over this decision.

1947: The figures in the table above are taken from the *Harrow Observer*. After the election the local Conservative Party issued copies of a poster (approximately 30 x 20 inches in size) summarising the results of all the Harrow UDC wards at the 1947 election. The poster gave the result in this ward as: Allen 2,092; Eady 2,040; Perry 1,415; Read 1,368.
