

INDEX TO CANDIDATES — WEALDSTONE UDC ELECTIONS

The number or numbers following the name of each candidate indicates the election or elections when the candidate stood. The numbers are in the abbreviated form of the year: e.g. 94 = 1894; 01 = 1901; 23 = 1923, etc. An asterisk (*) following the year indicates a by-election or co-option. Any candidates with double surnames (hyphenated and unhyphenated) have been cross-indexed to ease reference.

During the period of these elections, the person nominated had to be properly described on the nomination paper for the purpose of identification. All the names of the candidate had to be stated in full, their true place of abode given and their description added, viz. their rank, profession, or occupation. Where this description is known it has been included in the index.

Note: The John Hastings co-opted to Wealdstone UDC in December 1917 lived at 48 Marlborough Hill. Research suggests he is a different person to the John Stewart Hastings of 'Durley', Welldon Crescent, who contested Harrow-on-the-Hill UDC elections in 1902 and 1906.
