

INDEX TO CANDIDATES

Section One - - - Candidates at Harrow Council Elections

This section of the index relates to the election to Harrow Council in 2022 and subsequent by-elections.

The number following the name of each candidate indicates the ward reference number adjacent to the ward name. Those candidates with double surnames (hyphenated and unhyphenated) have been cross-indexed to ease reference.

An asterisk (*) preceding the name of a candidate indicates that his or her name will also be found in section one to the index to *Harrow Votes: The London Borough of Harrow, 2002-2021*. This information should be useful when tracing candidates in the pre- and post-2022 election periods. A dagger (†) preceding the name of a candidate indicates that his or her name will also be found in section two of the index only.
