

INDEX TO CANDIDATES

Section One - - - Candidates at Harrow Council Elections

This section of the index relates to elections to Harrow Council for the period 1964 to 1977 and excludes candidates for elections featured in the Appendices, which appear in section two.

The number or numbers following the name of each candidate indicates the ward reference number at the top of the page. Those candidates with double surnames (hyphenated and unhyphenated) have been cross-indexed to ease reference.

An asterisk preceding the name of a candidate indicates that his or her name will also be found in section one of the index to *Harrow Votes: The Municipal Borough of Harrow, 1954-1963*. This information should be useful when tracing candidates in the pre- and post-1964 election periods.
