

## ACKNOWLEDGEMENTS

In the original 1978 booklet, I thanked a large number of people who helped me with the production of that edition. In particular I recorded thanks to a past Chief Electoral Officer of the London Borough of Harrow, Ron Gray (no relation!), for allowing me to peruse the official records whenever I needed to. Other specific acknowledgements were extended to R.H. Wilson (former editor of the *Harrow Observer and Gazette*), Alex Bruce, Ken Childerhouse, Eva Davies, Doris Edwards, Steve Finn, George Gange, Stephen Giles-Medhurst, Len Gray, Cyril Harrison, Edward Hixon, Wilf Hodges, Colin Litchfield, June Pegg, Henry Reed, Bill Stephenson, George Temple, Keith Toms, Phyllis Trott, Kerry Underwood and Clare Vahrman. Since then, the majority of these people are no longer involved in Harrow politics, either through death or moving out of the area.

I also thanked, for aiding my research, the staff of a number of libraries: Rayners Lane Library (Imperial Drive, Harrow), Central Reference and Local History Library (Station Road, Harrow), Tower Hamlets Local History and Central Library (Bancroft Road, E1), and City of Westminster Reference Library (St. Martin's Street, WC2).

There are two new acknowledgements. Firstly, I must thank the current Electoral Services Manager of the London Borough of Harrow, Peter Kelly, for allowing me access to the official records once again. Secondly, I must express my gratitude to Marie-Louise Nolan, who has recently become aware of my interest in Harrow's electoral history. Marie-Louise turned out to be an excellent salesperson for the companion volume *Harrow Votes: The London Borough of Harrow 1978-2001*, and encouraged me to publish this updated edition.
