

Table 4

ANALYSIS OF VOTES BY PARLIAMENTARY CONSTITUENCY

This Table analyses the votes in Parliamentary Constituencies. The boundaries used at the 1979 General Election are used for an analysis of the 1978 and 1982 Borough Elections, while the boundaries first used at the 1983 General Election as the basis for an analysis for all the Borough Elections. The Table assumes consistent voting patterns within wards that straddled two Parliamentary Constituencies. See Appendix G for further details.
