**Note:**

2010: In May 2013 Omar became a founder member of the 'Independent Labour Group' on the Council, an action that resulted in his expulsion from the Labour Party. See Appendix K for further details.

2014: On 28 August 2016 Ms. Fitzpatrick was informed by the Labour Party's general secretary that she had been suspended from the party with immediate effect. It was alleged that she had been rude at a meeting, something that she denied. However, the *Morning Star* reported on 12 September that her suspension had been lifted without an appeal meeting taking place.
